

Local Druggists Guarantee Rheuma For Rheumatism

What chance does any sufferer take when Rheuma is guaranteed to banish rheumatism, lumbago, gout and kidney ailments, or money back? Why not investigate this offer? Talk to Lee & Osgood Co. about it. Rheuma must drive rheumatic poison from the system, bring swollen joints back to normal, and relieve all agony, or it costs nothing.

People so crippled with rheumatism that they could not walk have been absolutely freed from the iron grasp of the demon, rheumatism, with the Rheuma treatment. A few hours after the first dose Rheuma begins to dissolve the uric acid and drive it from the body through the natural channels.

Everybody can afford Rheuma—it's not expensive, and money back if not entirely satisfied.

Headaches

are an unnecessary burden on your health and your disposition. As a majority of all headaches come directly from strained eyes, why not let us make a careful examination and relieve you of this annoyance?

BRASSILL RETAINS ROQUE CHAMPIONSHIP PUT LINES IN LOCKE

(Friday) evening when the tournament will close.

Exhibition Games Tonight.

There are to be several special attractions this (Friday) evening, and none of the best of the tournament will be played by the experts of the game. Harold Clark of Springfield arrived at the grounds Thursday night and will play a game of pool tonight for exhibition games tonight. The association will also try to bring Harold Boonworth of New London here tonight to play against Clark. This game should be a drawing card.

Another feature of the evening will be the exhibition games between Brassill and Huot who have just battled for the best of the tournament. Both are players of more than exceptional ability and the match should be close and fast.

It is also hoped that Eddie Clark, excellent champion, who is playing exhibition games about the country will be in town tonight and play during the evening.

The annual business meeting of the association was held Thursday afternoon at 4:15 o'clock at the club house, President J. D. Miner of East Greenwich, presiding. The report of Secretary Arthur L. Peale and Treasurer James L. Case were read and accepted. Gerald Brassill, chairman of the committee on arrangements, reported on the tournament play, stating that play will close Friday night. Secretary Peale also gave a report on the grounds.

It was voted to set aside a page in the records for Judge L. C. Williamson of Philadelphia, who died recently, and a letter of condolence be sent to Mrs. Williamson. Pages in the records were also set aside for J. C. Kirk of Philadelphia, Professor Morrison and George T. Johnson, also of Philadelphia, members of the association who have died during the past year. Letters of sympathy are also to be sent to Dr. V. R. Veasey and W. A. Rounds who were unable to come to the tournament because of illness in their families.

The matter of figuring the championship games by points instead of games was taken from the table and discussed. It was again voted to place it on the table.

Crowd Elected President.

W. T. Sullivan reported for the nominating committee and the following officers were elected: President, C. B. Crowell, East Greenwich; Vice President, Dr. V. R. Veasey, Wilmington, Del.; D. Spellman, Willimantic and George Huot, Chicopee Falls, Mass.; secretary, Arthur L. Peale, Norwich; treasurer, James L. Case, Norwich; official editor, W. C. Rodman of Philadelphia, Pa.

Letters are to be sent to A. B. Griffith of Bedford, Ohio, editor of the National Hoque Magazine, and to E. A. Adams of Kingston, N. Y., who were unable to attend the tournament.

A vote of thanks was extended to the United Workers for use of the grounds, the Norwich Rotary Club, Norwich Chamber of Commerce, the Norwich Hoque and Tennis Club, the Norwich Bulletin and Norwich Record, and to the officials of the City of Norwich.

The tournament committee were left to be announced by the newly elected president and the meeting adjourned.

STREET IMPROVEMENT IS PRACTICALLY COMPLETED

Work of laying the new macadam roadbed on Mechanic and Asylum streets on the West Side has now been practically completed. Mechanic street has been open to traffic for some time and Asylum street was opened on Thursday evening. Today the final touches will be put on Asylum street, beginning at the corner of Pearl and Asylum streets and ending at the junction of Asylum and Newton streets. The first coating of tar filling was put on several days ago but work of fine stone delayed the first work, this to be done today.

Both streets are now as good as any in the city and will be greatly appreciated by the people of that section of the city, who for years have put up with streets that in the winter were evaluated any country road for mud and mudholes.

Work on the short stretch of Maple street from West Main to Asylum street is under way and should be finished by many days.

West Main street from High street to the junction of Ann and West Main is in pretty poor condition at present, recent rains having caused washouts at the junction with Fairmount street, while deep holes are driving anything but a pleasure over the rest of the street. It is said that this section cannot be repaired before the fall, but it seems evident that temporary repairs would be beneficial if the street is to be left in any kind of shape after the heavy traffic that is sure to go over the street during the fall.

MR. AND MRS. C. L. PERKINS MARRIED THIRTY-FIVE YEARS

Mr. and Mrs. Clement L. Perkins of Hanover, informally observed the 35th anniversary of their marriage Thursday.

In Grotonville, N. Y., August 24, 1887, Mr. and Mrs. Perkins were married by Rev. L. S. Johnson, a retired Baptist clergyman. Following the ceremony they came to Connecticut, residing for three years at the home of Mr. Perkins' parents, Mr. and Mrs. Jonathan Perkins of Norwich town, later moving to Laurel Hill, Norwich. The first Sunday after their arrival in Norwich, Mrs. Perkins attended the old Central Baptist church, of which the late Rev. J. D. Herr, D. D. was the pastor. Since then, Mr. and Mrs. Perkins and their son, Emerson, have become members of this church, having been faithful attendants much of the time for years, at both the old and the new Central Baptist church. For a number of years the Perkins family has resided in Groton.

THE COUNTY DAIRY CLUB HOLDS FIELD DAY

The boys of the County Dairy Record club held a field day Wednesday and under the leadership of Robert Johnson and the county agent considerable work was done in training for the first tournament game. Brassill had lost in the play of the last two years.

Second place in the division is yet in doubt, having done 5 and lost 4 games, with three to play, while Huot has won 7 and lost 3 with two to play. A slip in one game by Huot will result in a tie with Williams and result in a tie in the division for second honors.

In the second division James Brassill is leading with 7 won and 3 lost, while W. L. Sullivan has won 5 and lost 3. Sullivan can tie for first place with two straight victories, making it necessary to play off the contest with Brassill this

Members of the Dairy club were present from Lebanon, Franklin, Montville, Groton and Stonington. Ten out of the fourteen boys took part in the judging work.

At the judging contest at the Norwich fair a team will be selected to attend the state fair at Hartford. That same week to compete with boys from other counties in judging. A team will also be selected to go to the Eastern States Exposition where a judging contest will be held. They will make their home in Eastern states. This sort of work is giving the boys an excellent opportunity to become better acquainted with some of the good stock here in the east.

TWO SUITS AGAINST SHORE LINE ELECTRIC

Shore Line Electric Railway Co. has been made the defendant in two suits aggregating \$2,850 damages as the result of an automobile and trolley collision on the road at East Greenwich, Aug. 20, 1922. It is brought by D. W. Flint, Co. of Providence for \$350 for damages to the automobile and the other is brought by Otto Craney of New Haven for \$2,500 for personal injuries.

The accident happened in front of the Alexander Loper property when the trolley struck an automobile owned by the Craney family. The papers in the case were thrown out and injured about the head, back and body and the machine was badly damaged. The complainant alleged that the motorist did not have the trolley car under control and that the accident was due to his negligence.

Papers in the suits have been served by Deputy Sheriff J. E. Tubbs
